How to Ride the Bus

- Look for your neighborhood bus stop. The green, white and blue bus stop sign will tell you which routes stop there and which direction they are going.
- Find your route. Use the Trip Planner or view the route schedules at SpokaneTransit.com. You can also call (509) 328-RIDE (7433) or TTY Relay 711 for more information.
- Please have exact fare ready. The farebox cannot make change; nor can the driver.
- Be sure you are visible to the driver as the bus approaches. Stand as close to the sign or shelter as possible.
- As you board, ask the driver for a 2-hour pass (transfer) if you need one.
- If you don't know which stop you need, ask the driver for help. When you are one block away from your stop, pull the overhead bell cord to signal the driver to stop at the next bus stop.

Make Sure We Stop for You

Some tips to make sure you get noticed:

- Stand visibly at the stop as the bus approaches.
- Face the bus and nod your head "yes" or wave to the driver.
- Hold up your pass.
- Step forward when the bus is 1/2 block away.
- Wear light colored clothing or use a flashlight or the light of a cellphone at night to signal the driver.
- If you're in a shelter, walk to the stop as the bus approaches.

Bikes on Buses

Buses are equipped for the transport of up to three bikes on racks mounted on the front of the bus. If the rack is full, you must wait for the next bus. Brochures on how to load your bike are available at Customer Service at The Plaza. You can also view an instructional video at SpokaneTransit.com.
