

Final Recommendation: Changes in Routing Downtown

Routes #1 & #2
The Plaza/Arena & Medical shuttle would interline with a dropoff/pickup zone on Wall.

Route #48
New Route #48 would serve Deaconess Medical Center and Cannon Addition.

Routes #26 & #28
Routes #26 & #28 would travel on Hamilton & through the Riverpoint Campus.

Route #2
Route #2 would use Stevens to 4th outbound and travel north on Wall inbound.

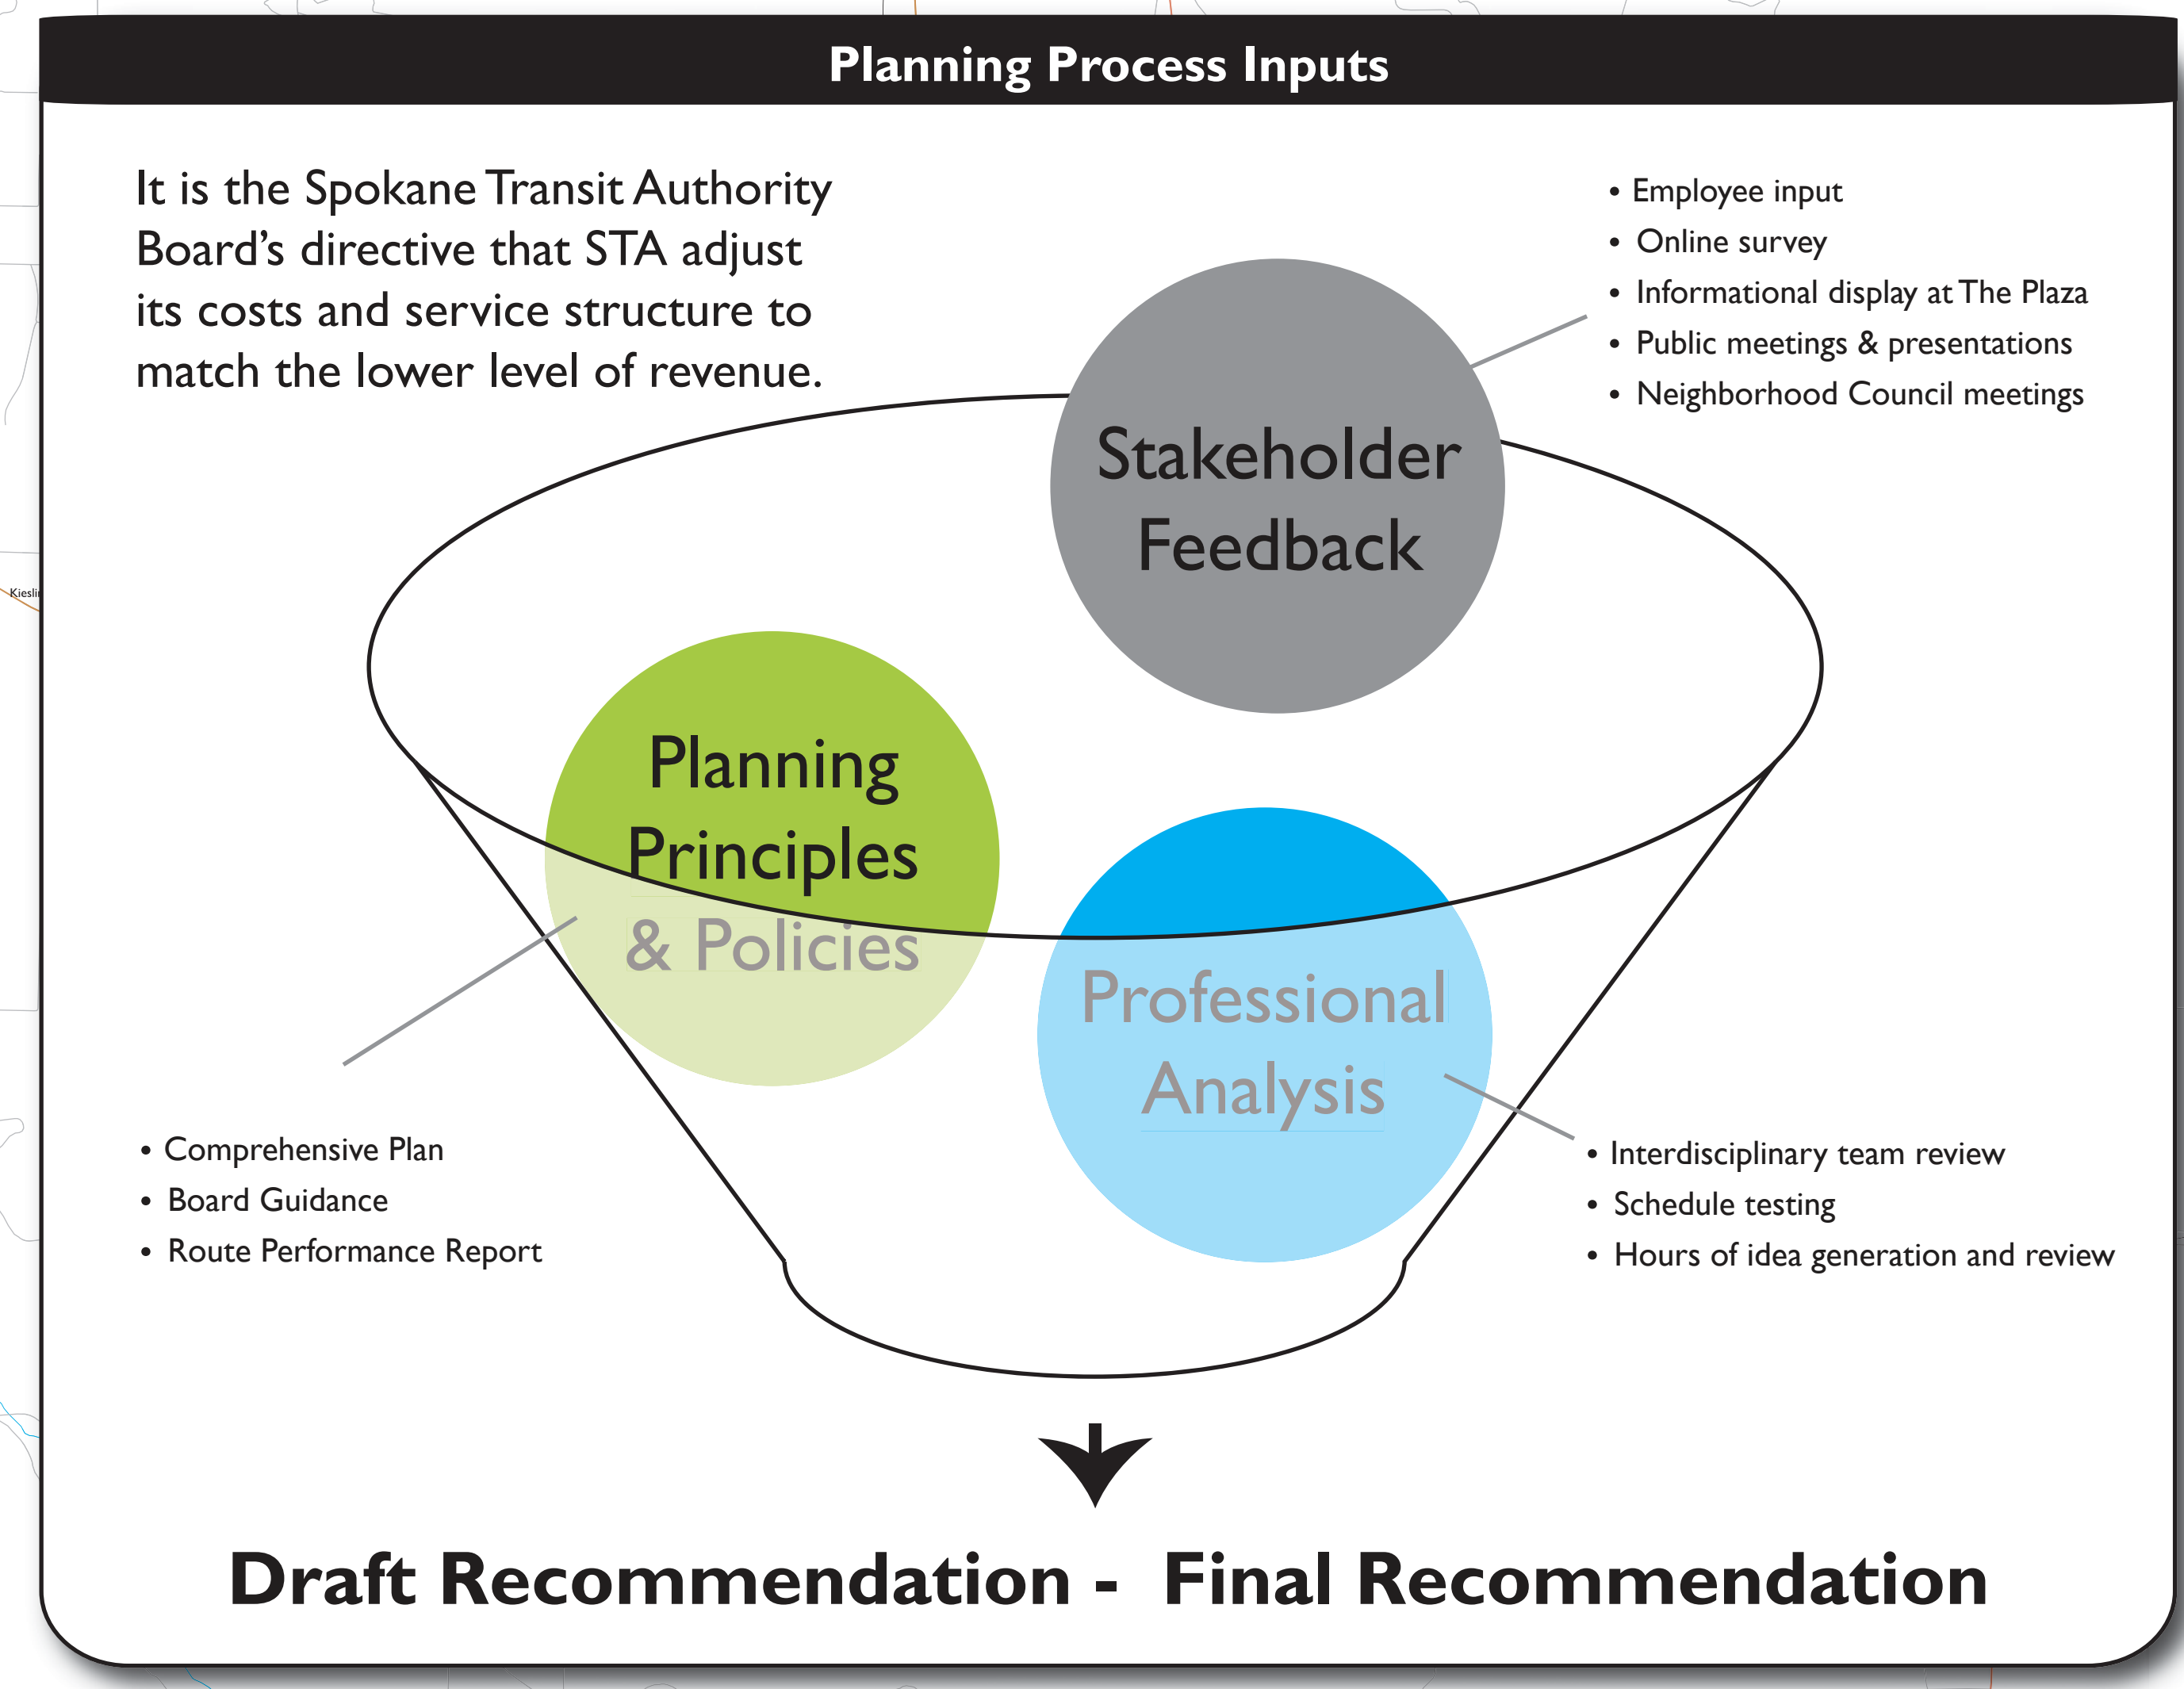

Change from Recommendation
Route #62 would provide service to the Medical Lake Hospitals on all trips.

Final Recommendation for Cheney Service

Route 66 travels with 30 minute frequency during the day.

Route 65 travels during the peak of weekdays only. Travels inbound to Spokane with six trips in the A.M. and outbound with six trips in the P.M.

Route 68 travels with 30 minute frequency.
