

# Routes Affected by Pending Construction Projects

Many STA bus routes will be affected by the 2011 construction season. This publication is for advisory purposes only. Time frames are tentative and details are subject to change. Look for specific rider alerts about projects causing detours on your routes at [www.spokanetransit.com](http://www.spokanetransit.com). Rider alerts with specific detour information will also be available on board all affected buses.

Sign up to receive SMS text messages, Tweets, and/or RSS feeds when your routes are on rider alert status.

Construction projects are anticipated to force detour routing on the following STA routes:

**#25 Division**  
**#26 Addison**  
**#29 SCC**  
**#91 Mission**  
**#32 Trent/Indiana**  
**#33 Wellesley**  
**#43 Lincoln/37th**  
**#44 29th Avenue**  
**#45 Southeast Boulevard**  
**#94 East Fifth**  
**#62 Medical Lake Hospitals**  
**#67 Medical Lake/Geiger**  
**#65 Cheney**  
**#66 EWU**  
**#72 Liberty Lake Express**  
**#73 VTC Express**  
**#74 Valley Limited**  
**#90 Sprague**

## Construction Project Overview:

- **25 - Division:** No anticipated detours. Expect short delays due to lane closures on Division between Country Homes and N. Foothills Drive (Start: 07/1/2011. End: TBD) & Francis and Euclid (Start: TBD).
- **26 - Addison:** Detour routing will be required during a two-phase rebuild of Bridgeport from Division to Crestline. Start: 03/09/2011. End: TBD.
- **29 - SCC:** Detour routing will be required during construction of a new road and intersection at Spokane Falls Blvd. and Sherman. Start: Spring. End: TBD.
- **29 - SCC & 91 Mission:** Detour routing will be required during a three-phase rebuild of Mission between Hamilton and Greene. Start: 03/2011. End: TBD.
- **32 - Trent/Indiana:** No anticipated detours during railroad crossing/sidewalk construction on Pines. Start: TBD.

- **33 - Wellesley:** Detour routing will be required during the closure of Wellesley for construction between Milton and Ash. Start: 05/18/2011. End: TBD.
- **43 - Lincoln/37th & 44 - 29th Avenue:** Detour routing will be required during the complete street rebuild of Grand between 29th and High Drive. Start: 03/2011. End: TBD.
- **45 - SE Blvd. & 94 - East Fifth:** Detour routing will be required during the three-phase rebuild of 2nd Avenue between Howard and Arthur. Start: 03/14/2011. End: 07/15/2011.
- **62 - Medical Lake Hospitals, 65 - Cheney, 66 - EWU & 67 - Medical Lake/Geiger:** Due to lane closures, detour/delays are possible during the I-90 road construction/repair between the Geiger and Maple on/off ramps. Start: 04/2011. End: fall, 2011.
- **72 - Liberty Lake Express & 74 - Valley Limited:** Possible traffic issues may force detours during the I-90 widening project between Sullivan and Barker. Start: spring, 2011. End: TBD.

- **72 - Liberty Lake Express, 73 - VTC Express & 74 - Valley Limited:** Due to lane closures, short-term detour and/or delays are possible during the replacement of the bridge deck at I-90 and Altamont. Start: 07/11/2011. End: 30-45 day project.
- **33 - Wellesley, 72 - Liberty Lake Express, 73 - VTC Express, 74 - Valley Limited & 94 - East Fifth:** Due to lane closures, a short-term detour and/or delays are possible during the replacement of the bridge deck at I-90 and Havana. Start: 07/11/2011. End: 30-45 day project.
- **90 - Sprague:** Detour routing will be required during the installation of a round-about at Mission and Flora. Start: TBD.

**NOTE:** Other, non-specific road construction projects are anticipated. Check the web site ([www.spokanetransit.com](http://www.spokanetransit.com)) for current information and look for rider alerts on board your bus(es).
