The Boone Northwest Garage was built on STA's existing property in 2018 / 2019 but did not displace any residences or businesses. As part of the project, the City of Spokane vacated a short strip of right of way which Spokane Transit purchased, and an equity analysis was completed. The site was selected without regard to race, color, or national origin and there were no persons impacted by the siting of the facilities. There were no federal funds used for construction of the Boone Northwest Garage.</p> <p data-bbox="488 1247 1365 1308">There are no planned facilities to be built within the next three years that will acquire a site equity analysis.</p>
