Failure to immediately comply with such a removal order may be grounds for prosecution for criminal trespass and/or unlawful transit conduct.

2. Procedure for Administrative Exclusion.

Except as provided in STA's Code of Conduct (Article III, Section B (2)(d) - *Immediate Refusal or Removal*), STA Employees shall not refuse service to anyone who has not been formally excluded from STA service pursuant to the application of STA's Rules of Conduct or a court order.

(a) ***Basis for Exclusion.*** Engaging in prohibited conduct under Article III shall be cause for excluding a Person from the privilege of entering and using all or any part of Transit Vehicles, or STA Facilities and Properties for a period of time as determined by STA based on the conduct and circumstances leading to an exclusion.

(b) ***Notice Procedure.*** The STA Chief Executive Officer, or his/her designee, shall give written notice by personal delivery or by mailing a copy by regular U.S. Mail addressed to the Person's last known address, to any Person to be excluded from Transit Vehicles, or STA Facilities and Properties. The notice shall specify the reason for exclusion, places and duration of the exclusion, the effective date of the exclusion, the appeal process, and provide the Person an opportunity to respond in person, by telephone or in writing, to the proposed action within five (5) calendar days of actual or constructive receipt of the notice by the Person being excluded.

An exclusion shall commence on the sixth calendar day after actual or constructive receipt of the notice by the Person being excluded, unless the Person has timely requested an administrative review of the notice, in which case the STA Chief Executive Officer, or his/her designee, shall review the exclusion and shall render a written decision determining whether exclusion is warranted within five (5) calendar days from the date of the Person's request for review. Such written decision shall be delivered personally to the requesting Person or delivered by mailing a copy by regular U.S. Mail, addressed to the Person's last known address.

If the STA Chief Executive Officer, or his/her designee, determines that exclusion is warranted, such exclusion shall commence and be effective upon actual or constructive receipt of the written decision by the Person to be excluded.

(c) ***Constructive Notice.*** Receipt of a notice is construed to have been accomplished if the Person knew or reasonably should have known from the circumstances that he/she is excluded from Transit Vehicles, Facilities and Properties. Receipt of a notice is also presumed to have been accomplished three (3) calendar days after the notice has been placed in the U.S. Mail.

(d) ***Immediate Refusal or Removal.*** The notice procedure described in Article III, Section B 2(b), (c) above may be waived, if, in STA's discretion, immediate conditions exist that pose safety or security risks, interfere with or impinge on the rights of others, impede the free flow of the General Public, impede the orderly and efficient use of Transit Vehicles or STA Facilities and Properties, or otherwise interfere with or seriously disrupt STA's transit related activities. In such immediate conditions, Persons engaging in prohibited conduct under the provisions of Article III may be immediately reseated, refused transportation, or removed from Transit Vehicles or STA Facilities and Properties. The notice and administrative review provisions of Article III, Section B 2(b)

shall not be available to a Person immediately refused transportation or removed from Transit Vehicles or STA Facilities and Properties for any period less than thirty (30) calendar days.

(e) **Refusal to Comply.** The refusal to immediately comply with an order excluding a Person from Transit Vehicles or STA Facilities and Properties shall be grounds for prosecution for criminal trespass.

(f) **Length of Exclusion.** The following suggested exclusion lengths are guidelines to be used by STA in determining the duration of a particular exclusion under the provisions of Article III. The actual exclusion period imposed may be shorter or longer depending on the circumstances of each case, and the circumstances that form the basis for determining the length of exclusion shall be stated in STA's written report(s) of the incident(s) leading to exclusion. Circumstances considered by STA in determining the length of exclusion may include, without limitation, the immediate incident, STA's documented history of prior incidents involving the excluded Person, STA security records, supervisor records and any other public records available to STA regarding the individual's conduct while using or accessing Transit Vehicles or STA Facilities and Properties.

First Offense:	1-90 days
Second Offense:	91-180 days
Third Offense:	181-364 days
Each Subsequent Offense:	365 or more days

(g) **Appeal Procedure.** The following appeal process shall be provided to any Person excluded from Transit Vehicles or STA Facilities and Properties for a period of thirty (30) days or more. Not later than ten (10) calendar days after commencement of the exclusion, an excluded Person may appeal in writing to the STA Director of Communications and Customer Service, or his/her designee, for de novo review of the exclusion. Commencement of the exclusion shall be defined as the date upon which the exclusion became effective and shall be determined by STA's official records. The appellant may request a hearing or may request review without a hearing based on a written statement setting forth the reasons why the exclusion is invalid or improper. If the excluded Person is unable to respond in written format, STA will make reasonable accommodation to allow due process. If no hearing is requested, the STA Director of Communications and Customer Service, or his/her designee, shall render a written decision within twenty (20) calendar days after receipt of the appeal.

(h) **Hearing.** If a hearing is requested, the hearing shall be held within twenty (20) calendar days after receipt of the appeal, and a written decision shall be rendered within twenty (20) calendar days after the hearing. Exclusions shall not be stayed during the appeal process, unless the exclusion is for missing scheduled trips under Article III, Section A, 26 herein. If an appellant requires Public Transportation Services to attend the hearing, the appellant shall contact the STA Director of Communications and Customer Service, or his/her designee, five (5) business days prior to the hearing date, and STA shall make arrangements to provide the necessary Public Transportation Services for the appellant.

3. Other Laws not Limited.

The enforcement of Article III herein is not intended to limit, in any manner, the enforcement of any applicable federal, state or municipal laws, provided STA is not authorized to assist a patron or employee in enforcing a court order prohibiting or restricting contact with any other Person other than to notify appropriate law enforcement personnel via STA's dispatcher or STA Security.

C. LIABILITY

Nothing in Article III herein shall create a duty to any Person on the part of STA or form any basis for liability on the part of STA, its officers, agents or employees. The obligation to comply with Article III is solely that of any Person entering and using Transit Vehicles or STA Facilities and Properties and STA's enforcement of Article III is discretionary, not mandatory.

ARTICLE IV.-- PUBLIC COMMUNICATION ACTIVITIES AT STA TRANSIT VEHICLES, FACILITIES AND PROPERTIES OTHER THAN THE PLAZA

A. PURPOSE AND SCOPE

1. Non-Open Public Forums.

As a provider of Public Transportation Services, STA makes a variety of Transit Vehicles and certain STA Facilities and Properties available to Persons who use such Public Transportation Services. Although these Transit Vehicles and STA Facilities and Properties may be accessed by the General Public, they are not open public forums either by nature or by designation. They are intended to be used solely for Transit-related Activities and provide little, if any, space for other non Transit-Related Activities.

2. STA's Legitimate Interests.

Most Public Communication Activities are prohibited on Transit Vehicles and within or upon STA Facilities and Properties, regardless of viewpoint expressed, because they are incompatible with STA's legitimate interests, including but not limited to:

- (a)* securing the use of scarce parking spaces and shelter space for Persons who are using Public Transportation Services;
- (b)* maintaining safe, clean and secure Transit Vehicles and STA Facilities and Properties to retain existing, and attract new users of Public Transportation Services;
- (c)* reducing litter pick-up and other maintenance or administrative expenses so as to maximize the provision of Public Transportation Services; and
- (d)* preventing delays and inconvenience to the General Public by minimizing congestion, and expediting the boarding, transferring, and alighting of Transit Vehicles.

3. Purpose of Article IV.

STA's intent and desire is to allow members of the General Public to engage in Public Communication Activities on Transit Vehicles and within or upon STA Facilities and Properties to the extent such activities are compatible with STA's legitimate proprietary functions and interests, but expressly does not hereby designate its Transit Vehicles or STA Facilities and Properties as public forums. It is the purpose of Article IV to describe the limited extent to which the General Public is allowed to engage in Public Communication Activities on Transit Vehicles and within or upon STA Facilities and Properties. Article IV does not apply to STA Employees engaged in authorized activities in the course of their employment or to events or commercial activities previously authorized by STA. Article IV does not apply to commercial advertising on or upon STA Facilities and Properties or Transit Vehicles.

4. Facilities Governed by Article IV.

STA Transit Vehicles and STA Facilities and Properties, except The Plaza, are governed by Article IV. The Plaza is governed by Article V.

B. REGULATION OF PUBLIC COMMUNICATION ACTIVITIES

Persons engaging in Public Communication Activities at STA Facilities and Properties governed by Article IV involving signs, boxes, receptacles, easels, tables or other similar apparatus of any kind, must first obtain an STA Permit in accordance with the rules and procedures set forth in Article IV. Otherwise, no Permit will be required for Public Communication Activities at STA Facilities and Properties governed by Article IV.

STA personnel may require that any Public Communication Activity at STA Facilities and Properties governed by Article IV not be conducted within ten feet of Persons in Transit Vehicle queue lines, loading zones, bus entrances or exits, or permanent waiting fixtures, unless invited closer by a transit patron.

1. Limitations.

Public Communication Activities which are otherwise lawful are permitted on STA Transit Vehicles and within or upon STA Facilities and Properties governed by Article IV, subject to the following exceptions and limitations:

- (a)* Unless otherwise authorized by STA posting or affixing flyers, pamphlets, brochures, leaflets, written or graphic material of any kind is prohibited.
- (b)* Selling or offering for sale or donation books, pamphlets, or any other written or printed material is prohibited.
- (c)* Soliciting funds is prohibited, provided that solicitation for donations for non-profit causes may be conducted under Article V within designated areas of The Plaza, and are otherwise subject to the Rules of Conduct and laws applicable to such fundraising.

(d) Signs, banners, structures or other paraphernalia may not be affixed to or erected on STA Transit Vehicles and within or upon STA Facilities and Properties, except as authorized by STA or law.

(e) Signs carried by or on a Person are not permitted in Transit Vehicles. Signs carried by or on a Person are permitted within or upon other Article IV STA Facilities and Properties provided the signs are not constructed of a size or material which could inadvertently or intentionally cause injury to a Person or property, except signs are not permitted on STA Transit Vehicles. Signs may not be of a size that obstructs the free flow of the General Public and may not exceed 32 inches by 32 inches. A “sandwich board” sign may not extend beyond the carrier’s shoulders or, if used by a Permittee, beyond the permitted area.

(f) Public Communication Activities will not be permitted in parking areas, Park-and Ride Lots, or roadways. Public communication activities may not block any loading zone, signage, stairway, escalator, elevator, customer service counter, ticket or automatic teller machine, authorized commercial activity, any fire safety system component, telephone, information board or the normal General Public paths to and from such areas.

(g) Public communication activities otherwise permitted under Article IV are prohibited if the number of Persons engaged in the activities, their location or their manner of conducting the activities is found to create safety or security problems, interfere with the free flow of Persons onto or off of STA Transit Vehicles, or into, within or from STA Facilities and Properties; interfere with, or seriously disrupt the operation of such Transit Vehicles, Facilities and Properties, or STA’s provision of Public Transportation Services.

(h) Persons engaged in Public Communication Activities within or upon Article IV STA Facilities and Properties shall not use any parking spaces provided at such Facilities and Properties unless they are also using STA’s Public Transportation Services.

(i) **Hold Harmless.** Any Permittee, including Permittee’s personal representatives, successors in interest, and assigns, shall, as a precondition to the issuance of the Permit, agree to indemnify, defend and hold harmless STA, and its officers, agents and employees from all suits, claims, actions and damages of whatsoever kind or nature arising out of or resulting from the Permittee’s use of STA Facilities and Properties except to the extent caused by the negligence of STA and its officers, agents and employees. Permittee shall further covenant and agree to specifically assume potential liability for actions brought by Permittee’s own employees against STA and its officers, agents and employees and, for that purpose only, Permittee specifically waives any immunity under the Workers’ Compensation Act, Title 51 RCW; provided, however, that said waiver shall not apply to such actions in which Permittee’s employee alleges that the claim arises through the fault of STA and its officers, agents and employees and through no fault of Permittee, unless the fault of Permittee is established through discovery or at trial.

C. GENERAL

1. Liability for Clean-up.

Any Person engaged in Public Communication Activities and found responsible for litter, damages or destruction of STA Transit Vehicles and within or around STA Facilities and Properties, whether by accident or intent, shall be responsible for the clean-up and/or liable for the cost of repairing or replacing the property.

2. Liability of STA.

Nothing in Article IV or in the permitting of Public Communication Activities on STA Transit Vehicles and within or upon STA Facilities and Properties shall create a duty to any Person on the part of STA or form any basis for liability on the part of STA, the members of the Board, its agents or employees. The obligation to comply with the requirements of Article IV is solely that of any Persons engaging in Public Communication Activities and STA's enforcement of Article IV is discretionary, not mandatory.

3. Non-STA Uses.

Notwithstanding the limitations and prohibitions contained in Article IV, STA reserves the right to enter into leases or other use agreements permitting non-STA uses of STA Transit Vehicles and STA Facilities and Properties that are found to be compatible with STA's proprietary functions and interests.

ARTICLE V.-- PUBLIC COMMUNICATION ACTIVITIES: THE PLAZA

A. INTRODUCTION

1. Purpose of The Plaza.

The Plaza is first and foremost intended for STA Public Transportation Services and the use of those services by the General Public. Safe and efficient movement of STA Transit Vehicles and customers within and upon The Plaza is paramount to achieving safety, security, maintenance and operation objectives and meeting General Public expectations concerning The Plaza and STA's provision of Public Transportation Services. Selected areas of The Plaza may accommodate Public Communication Activities unrelated to the provision of Public Transportation Services at the discretion of STA. To the extent Public Communication Activities can be accommodated at The Plaza, the rules and procedures stated in this Article V shall apply.

2. Purpose of Article V.

The Plaza is primarily intended for Persons making use of Public Transportation Services, although areas of The Plaza are also open to the General Public and patrons of the commercial establishments located on the Street Level of The Plaza.

The public areas of The Plaza consist of the Street Level and designated areas of the Skywalk Level as further identified on "Appendix 3." With respect to these public areas, STA

is, within reasonable limits, authorized to regulate the time, place, and manner in which Persons conduct themselves.

Without regard to content, individuals or groups involved, some activities might be denied altogether or made subject to the Rules of Conduct. Such activities would include, but are not necessarily limited to, those that are inconsistent with the intended purpose of a given area, pose safety or security risks, interfere with or impinge on the rights of others, impede the free flow of the General Public, affect the orderly and efficient use of The Plaza, or otherwise interfere with STA's Public Transportation Services, operations and maintenance activities.

Accordingly, the express purpose of Article V is to accommodate freedom of expression and maintain the operational function of The Plaza as a Transit Center. Article V should be construed and interpreted to achieve that end.

B. RULES AND PROCEDURES

1. STA Intent.

It is the intent of STA to accommodate, to the extent practicable, Public Communication Activities that are not associated with the purposes for which The Plaza was intended. While attempting to accommodate such activities, STA must extend some control over them to achieve the goals and objectives described above. Accordingly, Persons will be allowed to engage in Public Communication Activities in designated areas located on the Sidewalk Level of The Plaza, provided such activities are conducted in accordance with the following rules and procedures, as applicable, and are not in violation of the Rules of Conduct and existing laws. No Public Communication Activities are permitted on the Lower Level or Skywalk Level.

2. Public Communication Activities & Permits

No Permit is required for Persons engaging in Public Communication Activities in the Transit Vehicle loading zone/sidewalks surrounding the Street Level of The Plaza unless the Public Communication Activities involve the use of signs, boxes, receptacles, easels or other similar apparatus of any kind. STA personnel may require that such activity not be conducted within ten feet of Persons in sidewalk queue lines, bus exits or permanent waiting fixtures unless invited closer by a transit patron.

All other Public Communication Activities at The Plaza require a Permit from STA, including all Transit Vehicle loading zone/sidewalk activity involving the use of signs, boxes, receptacles, easels or other similar apparatus of any kind. Permits will only be issued for use of the Kiosk, Sidewalk Space A or Sidewalk Space B. No other Public Communication Activities are permitted at The Plaza.

Persons engaging in Public Communications Activities at the Kiosk, Sidewalk Space A or Sidewalk Space B must first obtain a Permit from STA in accordance with the rules and procedures set forth in Article V. The locations of the Kiosk, Sidewalk Space A and Sidewalk Space B are the shaded areas identified on "Appendix 3" attached hereto and by this reference incorporated herein.

(a) **Application for a Permit.** Any Person who desires to obtain a Permit shall submit an application (“Application”) to STA’s Director of Communications and Customer Service or his/her designee. A copy of the form of the Application is attached hereto as “Appendix 1” and by this reference is incorporated herein. Applications may be obtained in-person, Monday - Friday (except holidays), 8:00 a.m. to 5:00 p.m., from the Customer Service Center, located on the Sidewalk Level of The Plaza, 701 W. Riverside Avenue, Spokane, WA 99201.

(b) **Issuance of Permit.** STA’s Director of Communications and Customer Service or his/her designee shall issue a Permit within a period of no more than two (2) business days of receipt of a completed Application, or the applicant shall be furnished a written statement setting forth the reason why the Application for a Permit has been denied. A Permit will not be issued more than seven (7) calendar days prior to the commencement of intended use and will be valid only for the specific dates, times and designated area(s) identified on the Permit. A Permit shall be effective for a period of no longer than seven (7) calendar days and will be limited to the normal hours and days that the designated area(s) identified on the Permit open for Public Communication Activities. No Permit shall be issued for more than five (5) hours in each seven (7) calendar days for any individual or group. Applications shall be processed in the order of their receipt.

(1) A Permit may be renewed prior to its expiration for up to seven (7) additional calendar days by filing with STA’s Director of Communications and Customer Service or his/her designee, a notice that the Permittee intends to continue his/her activity, together with any amendments necessary to keep the information required by the Application current and accurate. A Permit shall not be renewed if the notice and information herein required are not timely filed or if the continued presence of the Permittee cannot be accommodated under the rules and procedures in this Article V.

(2) Permittees will be required to have the Permit on their person (or with group) when engaged in their activity. A copy of the form of the Permit is attached hereto as “Appendix 2” and by this reference is incorporated herein.

(c) **Areas of Permit Exercise.** Permitted Public Communication Activities, as defined in Article II herein, are permitted only at (1) the Kiosk and/or (2) Sidewalk Space A and/or (3) Sidewalk Space B on the Street Level as indicated on the Permit and as defined in Appendix 3. Use of such space is limited to the area designated on the Permit only.

(b) **Denial of Permit.** If a Permit is denied, STA’s Director of Communications and Customer Service or his/her designee shall serve on the applicant personally or by regular U.S. Mail, return receipt requested, a written statement of reasons for denial. A Permit shall not be denied unless:

(1) The applicant has not furnished the information required by the Application, or has failed to agree to the conditions of the Permit;

(2) The applicant is subject to: (i) an exclusion order issued to the applicant or participant pursuant to Article III herein; (ii) a revocation of a previous Permit issued to the applicant; or (iii) a failure to comply with the terms and conditions of a Permit previously issued to the applicant;

(3) The nature of the activity that the applicant wishes to conduct constitutes a Commercial Activity as defined in Article III herein and is subject to other requirements of STA;

(4) Emergency conditions exist that make the applicant's proposed activity at the date, time and location proposed by the applicant incompatible with the operational function of The Plaza; or

(5) More applicants than herein provided for have requested permitted activities for the same date, time and location and the applicant is not entitled to priority in accordance with the rules and procedures in this Article V.

(6) Where feasible, the Director of Communications and Customer Service or his/her designee may propose measures for curing any defect in the application for a Permit.

(c) **Revocation of Permit.** A Permit shall be revoked immediately by STA's Director of Communications and Customer Service or his/her designee when evidence exists that:

(1) A Permittee has violated the provisions of the Rules of Conduct, has been duly warned of the violation at least once, but has not complied; or

(2) The activity has attracted a crowd of sufficient size so as to begin to adversely impact the safety, security or rights of others, the free flow of the General Public, or the normal operation requirements of The Plaza. Under this circumstance, the Permit may be returned for use if the crowd disperses and the adverse conditions that existed at the time of revocation are no longer present.

(d) **Notice of Revocation.**

(1) Notice of revocation shall be in writing supported by a statement of facts and a list of witnesses to the facts stated, and the notice shall be personally served upon the Permittee or mailed to the Permittee by certified mail, return receipt requested. A notice of revocation need not be in writing, if immediate conditions exist that pose safety or security risks, interfere with or impinge on the rights of others, impede the free flow of the General Public, affect the orderly and efficient use of The Plaza, or otherwise interfere with STA's Public Transportation Services, operations and maintenance activities. If written notice of revocation is not given because of such immediate conditions, the STA Director of Communications and Customer Service or his/her designee shall within one (1) calendar day from the date of revocation, prepare a written notice of revocation as required above.

(2) Once a Permit has been revoked, a Person shall not continue their activity until another Permit has been obtained or the revoked Permit returned by the STA Director of Communications and Customer Service or his/her designee. If the Permit has been revoked on a permanent basis, all materials involved in the terminated activity must be removed immediately, by the individual(s) involved.

(e) *Appeal from Denial or Revocation.*

(1) Upon notification of the denial of a Permit, or revocation thereof, an applicant or Permittee may file a notice of appeal with STA's Chief Executive Officer or his/her designee.

(2) Upon receipt of the notice of appeal, the matter shall be set for a hearing before STA's Chief Executive Officer or his/her designee within ten (10) calendar days and STA shall issue a notice of hearing which shall be sent by certified mail, return receipt requested, to the applicant or Permittee, and which shall contain the date, time and place of the hearing.

(3) At the hearing, the applicant or Permittee may be represented by legal counsel. Testimony shall be taken upon oath or affirmation first of witnesses in support of the denial or revocation of the Permit. The applicant or Permittee may testify and present witnesses on his behalf. A record shall be made of the proceeding and kept on file with STA.

(4) The findings and order of STA's Chief Executive Officer or his/her designee shall, within seven (7) calendar days of the conclusion of the hearing, be sent to the applicant or Permittee by certified mail, return receipt requested.

(5) An applicant denied a Permit may immediately appeal the order of STA's Chief Executive Officer to any court with jurisdiction. Filing an appeal stays the order of STA's Chief Executive Officer until a final judicial decision has been rendered. A denied applicant who desires to file an appeal shall have seven (7) calendar days from the date the applicant receives the order to file such appeal before the order becomes final.

(f) *Availability of and Limit Upon Permits.*

(1) Permits will be issued on a first-come, first-served basis, subject to availability. If more Persons are requesting issuance of Permits than can be accommodated for the area, date and time requested, STA's Director of Communications and Customer Service or his/her designee shall give preference to the applicant or applicants who have had the least opportunity during the preceding thirty (30) calendar days to conduct Public Communication Activities. Permits shall be issued without regard to the identity of the Person or cause for which the Permit is being requested.

(2) For safety and security reasons, to ensure the free flow of the General Public and the intended transportation functions of The Plaza are met,

and to accommodate other activities competing for the limited available space, a maximum of four (4) individuals, representing the same groups or causes, will be allowed to engage in Public Communication Activities at the area designated in the Permit at any given time.

(g) Use of the Kiosk. A Permit issued to engage in Public Communications Activities at the Kiosk is subject to the following conditions.

(1) The Kiosk must be attended at all times, unless the Permittee is physically present within the area and can maintain sight of the Kiosk at all times.

(2) The Kiosk may be used to distribute and display material in conjunction with the Public Communication Activity. No materials may be stored on top of or underneath the Kiosk unless authorized by STA.

(3) Under no circumstances may Person(s) staffing the Kiosk obstruct the free flow of Persons moving within or through The Plaza.

(4) Signs, leaflets or other materials may only be affixed to the Kiosk in a manner acceptable to STA. No signs, leaflets or other materials may be posted to or erected within The Plaza.

(5) STA will not be held responsible for damage to or loss of any materials furnished by Permittee.

(k) Transferability. Upon written approval by STA's Director of Communications and Customer Service, a Permit may be transferred to another Person engaged in the same activity; provided the receiving party complies with the conditions of the Permit and retains it on his/her person during the activity.

(l) Reproduction. Permits may not be reproduced or altered in any manner. Reproduced or altered Permits will be considered invalid and confiscated. The holder of the invalid Permit will be required to cease their activity until a valid Permit is obtained.

(m) **Signs, Banners, Literature, Etc.** Signs, banners, literature, leaflets, posters, structures or other paraphernalia may not be affixed to The Plaza or any property in The Plaza or erected in conjunction with an activity, unless authorized by STA. Signs carried by or on a Person are not permitted within the interior of The Plaza. Signs carried by or on a Person may be used on the exterior areas of the Street Level, provided the signs are not constructed of materials which could inadvertently or intentionally cause injury to another individual and are of a size that does not obstruct the free flow of the General Public (e.g., a maximum of 32 inches by 32 inches or a “sandwich board” worn by an individual which does not extend beyond the carrier’s shoulders is acceptable). Permittees and other Persons engaging in authorized Public Communication Activities on the Street Level may offer literature to the General Public, but shall refrain from attempting to distribute literature to any member of the General Public who indicates he or she does not desire to receive said literature.

(n) **Responsibility for Clean-up.** The Permittee shall be responsible for cleaning up litter that they personally (or as a group) generate in the course of their activity. If, at the end of the Permittee’s activity, the Permittee fails to clean up such litter, STA shall cause the clean up of the Permittee’s litter and the Permittee shall reimburse STA for all costs incurred therefore.

(p) **Liability for Damaging Property.** Any Person or organization engaged in Public Communication Activities and found responsible for damaging, injuring, or destroying STA property within or upon The Plaza, whether by accident or intent, shall be liable for the cost of replacing and/or repairing such property.

(q) **Hold Harmless.** Any Permittee, including Permittee’s personal representatives, successors in interest, and assigns, shall, as a precondition to the issuance of the Permit, agree to indemnify, defend and hold harmless STA, and its officers, agents and employees from all suits, claims, actions and damages of whatsoever kind or nature arising out of or resulting from the Permittee’s use of STA Facilities and Properties except to the extent caused by the negligence of STA and its officers, agents and employees. Permittee shall further covenant and agree to specifically assume potential liability for actions brought by Permittee’s own employees against STA and its officers, agents and employees and, for that purpose only, Permittee specifically waives any immunity under the Workers’ Compensation Act, Title 51 RCW; provided, however, that said waiver shall not apply to such actions in which Permittee’s employee alleges that the claim arises through the fault of STA and its officers, agents and employees and through no fault of Permittee, unless the fault of Permittee is established through discovery or at trial.

(r) ***Interaction with the General Public.*** STA and its officers, agents and employees, shall not unnecessarily interfere with any consensual conversation between Permittees and members of the General Public. Permittees shall forthwith terminate any conversation with any member of the General Public when requested to do so by the addressee. No Person, while engaged in Public Communication Activities, shall physically touch or contact a member of the General Public, unless the Person has previously consented to the contact or unless the Person has previously agreed to contribute to the Permittee or the organization which he represents.

In the solicitation of funds, the Person shall inform the Person being solicited of the true intent of the organization for which said funds are solicited.
