

# 5 Free Rides

## Try Vanpool Today

**TRY VANPOOL** offers up to 5 free vanpool rides for new, qualifying trial users. We invite you to try vanpooling and find out why so many decide it's a great way to go.

**How the program works:**

- To qualify for the 5 free ride offer: be a new vanpool rider who has not ridden Spokane Transit (STA) vanpool in the previous 12 months.
- Complete the 5 rides within a 30-day period.
- Complete a Vanpool Volunteer Participant Agreement form prior to or at the time of the first ride.
- Once the 5 rides are completed, the trial rider is asked to either join the vanpool as a regular monthly rider or drop out of the vanpool.
- The certificate cannot be applied toward the monthly vanpool fare, and the certificate is not redeemable for cash.

**Looking for a vanpool?** Register at [www.CommuteFinderNW.com](http://www.CommuteFinderNW.com) or contact STA at 326-POOL

Contact your Employee Transportation Coordinator (ETC) for more information, or contact any Spokane Transit Volunteer Vanpool Driver or Bookkeeper or STA Vanpool for more TRY VANPOOL information.

**Note:** If you complete the 5 free rides and decide to join the vanpool, you may either pay the full monthly fare or the daily fare for any days remaining in the month, whichever is less. The certificate may not be applied toward a reduction in the monthly fare or the daily fares for any trips taken after using 5 free rides. Bookkeepers turn in the 5 Free Vanpool Rides coupon with the monthly reports.

This certificate entitles up to **5 Free Vanpool Rides**
