

**Volunteer Vanpool  
Participant Agreement**  
**Participant retains**

This Agreement sets forth the rights and responsibilities of volunteer participants in the Vanpool Program as established by Spokane Transit, hereinafter referred to as the Agency. Each vanpool group must have one volunteer Primary Driver, at least one volunteer Backup Driver, and a volunteer Bookkeeper. The same person may fulfill more than one role (e.g., a Driver or Rider may also be a Bookkeeper). Each vanpool group must have a minimum of five persons to start and maintain a vanpool.

**All volunteer vanpool group participants (Drivers, Bookkeepers, and Riders) agree during the term of this Agreement to:**

1. Be considered as volunteers under the law and shall not hold themselves out to be nor act as employees or agents of Spokane Transit.
2. Allow only Agency approved drivers to operate the van.
3. Make full payments each month, in advance, understanding that fares are not refunded for any reason. (i.e., pay before January 1 to ride in January). Failure to pay correct fare on time may result in immediate denial of ridership privileges. *Note: Counter checks or cash cannot be accepted by STA.*
4. **Wear seatbelts:** it's the law and Drivers are instructed to not operate the vanpool vehicle until all Riders have fastened their seatbelts. Failure to wear seatbelts may result in termination of riding privileges.
5. Be prompt so that others are not inconvenienced. Pick up is limited to the agreed times and locations. The vanpool will wait a maximum of two minutes beyond the agreed time before departing from each stop.
6. Abide by Spokane Transit's "no smoking" policy: Do not smoke in the van or within 25 feet of the van.
7. Understand that the use, possession, or transportation of any alcoholic beverage or any narcotic drug, chemical or other substance in violation of the law is prohibited in the van.
8. Behave in a manner which promotes positive interaction with other vanpool participants. Abide the Agency's decisions in any disputes arising out of the day-to-day operational vanpool rules and the STA Rules of Conduct: <https://www.spokanetransit.com/about-sta/rules-of-conduct>
9. All participants are to maintain a level of personal hygiene that is not offensive to other customers. Poor hygiene will result in termination if the problem is not corrected. (Non-negotiable.)
10. Notify the Driver(s) in advance of all anticipated non-use of the van. No monthly fare deduction is permitted for occasional non-use.
11. Provide the Bookkeeper with ten (10) calendar day's written notice prior to the beginning of the next month of planned termination. No monthly fare adjustment is permitted without the above notice.
12. Notify the Agency immediately if a Driver is operating the vanpool vehicle in a non-defensive or unsafe manner.
13. Assist in maintaining the vanpool ridership at its maximum level, as determined by the Agency. New riders cannot be denied joining a vanpool if these maximums have not been met.
14. **Keep the van clean.** Be responsible for the cleanliness of the interior and exterior of the vanpool vehicle. Be held responsible and liable for the van and equipment (e.g., fire extinguisher, keys, reflector kit, spare tire, etc.). The vanpool group will reimburse the Agency for loss of such equipment in the case of negligence.
15. Prohibit use of their Vanpool Smart Card bus pass by anyone other than themselves, report a stolen or lost pass and relinquish their Vanpool Smart card bus pass upon their withdrawal from the Vanpool Program.

**The Drivers, in addition to terms outlined above, agree during the term of this Agreement to:**

4. **Do not use a cell phone including wireless headsets (i.e. Bluetooth) while driving any Spokane Transit van.**
5. Any citation resulting from the operation of the van is the responsibility of the person driving the van at the time of issuance of the citation. All approved Drivers will report any citation resulting from a traffic violation to the Agency within 48 hours, whether received while driving the van or any other vehicle. The Agency will routinely obtain Motor Vehicle Records to determine if a Driver continues to meet the established Driver Guidelines.
6. The Driver must notify the Agency when s/he is no longer in accordance with the established Driver Selection Guidelines or can no longer safely operate the vanpool vehicle.
7. Be responsible for reporting any vanpool vehicle accident or incident involving bodily injury, property damage, or a third party immediately to the Agency, to include any injury to a passenger of the van even though no third party was involved (e.g., passenger falls and injures self while entering the van). The Driver is responsible for completing a Spokane Transit Accident Report for all accidents or incidents, regardless of severity.
8. Not operate the vanpool vehicle until all passengers have fastened and agreed to wear their seatbelts at all times.
9. Establish, in cooperation with the Agency, the vanpool route and schedule. Coordinate with the other approved Drivers for the daily operation of the van, picking up and discharging Riders in accordance with the mutually established route and schedule, ensuring as much as possible that the vehicle operates each work day of the month. 15. Drive the van only on hard-surfaced streets, highways, and other normal access roads and driveways.
16. Make sure the fuel card is kept in the van at all times (in the glove box case). Lock the van when not in use.

2. Execute Agreements with all vanpool participants.
3. Provide liability insurance through the Washington State Transit Insurance Pool (WSTIP), providing coverage for the van and all authorized occupants. **In addition, we provide uninsured and underinsured motorist coverage. Vanpool drivers should discuss their personal medical insurance needs with their insurance agent to ensure adequate personal insurance should they be injured in an at-fault accident. As a public agency we do not carry Personal Injury Protection (PIP) Insurance. If the vanpool is involved in an accident and our volunteer driver is not at fault, all claims will be directed to the other drivers insurance. Spokane Transit will not assume liability or provide coverage in these instances. Details of any additional insurance and coverage limits can change from year to year and are outlined in the Vanpool Manual or are provided upon request.**

Upon termination of an individual's or group's right to operate said vehicle by reason of violation of any conditions herein stated or by the Agency's demand, said individual or group agrees to cease using said vehicle and to pay all expenses incurred by the Agency in returning the vehicle to the Agency's main facility.
