

STA Plaza Reconfiguration

PROJECT DESCRIPTION

The downtown STA Plaza will be reconfigured to improve The Plaza's function for transit customers, downtown employees, visitors and the surrounding community. The first floor will house retail space, STA customer service and public restrooms. The second floor will accommodate versatile meeting rooms, exhibit space and STA Operations.

This project is consistent with the STA Board's September, 19, 2013 decision to invest in capital improvements. It meets the goals and principals outlined in *Connect Spokane*, STA's Comprehensive Plan, by improving the system's infrastructure to enhance operational processes.

CURRENT STATUS - 30% of Design

BUDGET - Under Development

SCHEDULE

March 2014 - Present 30% Design to Committee & Board For Approval

April 2014 - Begin Final Design

2015/2016 - Estimated Project Completion

Renderings of The STA Plaza reconfiguration are for illustrative purposes only.

Executive Sponsor: E. Susan Meyer, Chief Executive Officer, Spokane Transit

Project Manager: Jessica Charlton

Design Team: Coffman Engineers, Inc. and ALC Architure LLC
