Pre-planned Snow Detours: Many bus routes have segments that become blocked during snow/ice storms. Hills and narrow streets are the most common problem areas. Pre-planned detours (such as the one shown on this map) have been created so customers can plan accordingly. **Detours will only be in effect as needed and for the minimum time possible.** The STA website will always have the most up-to-date information on snow detours. You can also sign up for detour notices via email or text messaging at www.spokanetransit.com.
