Monthly Beneficiary Data Report

• Purpose
  • STA is now requiring that a Monthly Beneficiary Data Report be submitted along with invoices for reimbursement
  • These reports are due on or before the 20\textsuperscript{th} day of each month
  • This report helps STA to support the monthly invoice, evaluate the project’s performance, and identify the project activities
  • This report should also help the subrecipient to complete Quarterly Progress Reports
Monthly Beneficiary Data Report

- Please be sure to fill out the top portion of the Monthly Beneficiary Data Report with your organization’s 5310 project information.
Monthly Beneficiary Data Report

- Monthly Project Activity Narrative
  - This narrative will help to support the invoice and justifies the expenses being reimbursed for that month
  - Salaries
  - Volunteer Drivers
  - Project activities
  - Marketing and outreach
Monthly Beneficiary Data Report

• Please enter information regarding the total number served (unduplicated), total number of rides, the total number of seniors served, and the total number of individuals with disabilities served.

Quarterly Progress Report

- In your Progress Narrative, you described the unmet transportation needs for seniors and individuals with disabilities.
- In this section, you will describe your projects’ efforts in addressing these unmet needs

C. Describe project efforts to address unmet transportation needs.
In this section, you will describe how your 5310 project has worked to coordinate with other agencies or groups to identify other transportation resources, and any activities to support this effort.
In this section, please describe any service improvements and impacts to the community, seniors, and/or individuals with disabilities.

An example of a service improvement could be that your 5310 project has expanded service areas or times which has increased or enhanced transportation services.
Quarterly Progress Report

- Please be sure to describe any challenges your 5310 project has encountered if this would cause any significant changes to the project.
- STA would also like to know about any COVID-19 related challenges that your project encounters.

F. Describe any challenges encountered and any significant changes to the project you foresee as a result.
Quarterly Progress Report

- If your project has included any physical improvements (including vehicles, facilities, and technology) please use this section to describe them
Quarterly Progress Report

• All 5310 projects will have a requirement in their Title VI Plan that states that they must provide outreach efforts to Limited English Proficiency (LEP) populations

• Please describe outreach efforts to LEP, minority, and low-income populations that your 5310 project supports

H. Describe your outreach efforts to Limited English Proficiency (LEP), minority and low-income populations as it relates to this project.
In this section, you will report any EEO, Title VI, and/or ADA complaints that you receive.

This includes a description of the complaint, investigation activities, and the resolution.
Quarterly Progress Report

• This same section will also those 5310 project that are awarded over $100,000 to reporting any lobbying activities during the past three months
• If you have submitted an SF-LLL form for these activities, please be sure to attach the form to this report.
• This requirement applies to all 5310 projects (capital and operating)

| Any lobbying activities this quarter? | Y | N |
| SF-LLL form submitted? | Y | N |
For capital vehicle projects only, please indicate if you have conducted vehicle maintenance or have any warranty claims.

Due to recommended maintenance of vehicles, all capital vehicle projects will have conducted maintenance of their vehicles in the past three months.

- If not, please be sure to explain why in the Progress Narrative.

Please attach maintenance records to this report.

### 3. Vehicle Records

A. Attach records for each vehicle (if applicable) including regularly scheduled oil changes, tires, lift/ramp maintenance, accessibility features maintenance, damages, and warranty claims.
