CONNECT WITH SPOKANE TRANSIT!

The latest schedule information is always available online at spokanetransit.com/routes.

spokanetransit.com/change

INTRODUCING STA Link

STA Link, a new mobility-on-demand pilot program, arrives in fall 2026.

The program is designed to make transit more accessible from areas not easily served by regular bus routes.

The service provides curbside pickup for connections to STA's broader bus and Paratransit network, as well as curb-to-curb trips within designated service areas.

More STA Link information is available at:
spokanetransit.com/STALink

PILOT SERVICE ZONES

As part of a pilot program, STA Link will be available in two service zones:

Latah Valley Zone
North Spokane Valley Zone

Performance data from the pilot program will help guide future decisions about whether and how mobility-on-demand service could be integrated into STA's long-range service model.

**New service begins
this fall.**
