

SEPA DETERMINATION OF NON-SIGNIFICANCE (DNS).
WAC 197-11-970

Description of proposal: The Wellesley Corridor Development Plan (CDP) outlines an approach for STA to create a High Performance Transit (HPT) line along the existing Route 33 Wellesley. HPT lines HPT lines are in major corridors where there is sufficient need to justify significant investments in passenger amenities and information. The corridor development planning process provides a method to determine the appropriate scale of investment, the service design and the implementation steps toward plan realization. It engages stakeholders and identifies the locations of stations and stops and infrastructure requirements.
